

THREE WEEKS UNTIL END OF PRIZE RACE

Salesmanship Club Closed Second
Period Saturday—Third
Starts Thursday.

NEW EXTRA CREDIT OFFER

Ninety Per Cent Bonus Credits Al-
lowed From May 12 to May 19,
Inclusive—Time to "Speed Up"
Efforts.

The second period of the Evening
Dispatch Salesmanship Club campaign,
known as "Double-Edged Period,"
closed at 10 o'clock last night with
a rush.

It was the biggest day the campaign
has thus far seen. Every member
did his or her best because much was
at stake. The remarkable part of it
is that while the total results were
big, they were well distributed among
the big list of active workers, and
at this time it looks as if it was
still a remarkably close race. No one
member accomplished the unusual,
but every one did well.

The mail is not in yet, and it will
take several days to check over the
returns, but from present indications
it will be more than ever a "neck and
neck" race, with no one having any
big majorities. This situation prom-
ises an interesting and exciting "fight
to the finish" battle, and it will be
watched with a great deal of inter-
est by friends and supporters of the
many members as well as the public
in general.

Only Three Weeks Left.
It is but three weeks until the end
of the big prize race. The campaign
ends on May 25, so there is a mighty
short time left in which members can
establish their final standing. Every
moment of spare time will be put to
subscription selling from now on by
the members who really mean busi-
ness.

With a \$1,000 home, five high-grade
automobiles and many other valuable
and desirable awards at stake, there

"Gets-It" Ends All Corns

Just As Good for Calluses. Money
Back If It Fails.

Thirty seconds after you touch the
corn with this liquid corn remover
the itching, stinging pain of it stops.

Simple As A, B, C.

No corn, hard or soft, is too old or
too deeply rooted to resist "Gets-It."
Immediately it dries and shrivels,
edges loosen from the true flesh and
soon you can peel it right off with
your fingers, as painlessly as you
trim your nails.
Don't scold corn pests. Don't
nurse and temper them. Don't cut
and trim them. REMOVE them with
"GETS-IT." Costs a trifle at any drug
store. Mfd. by E. Lawrence & Co.,
Chicago. Sold in Richmond by all
druggists.—Adv.

is plenty of incentive for big results
from all members. It can be said
with certainty that members are not
going to let such an opportunity pass
without putting forth the greatest
possible effort. The ones who cap-
ture the bigger awards are going to
have to do some real hustling right
up until the last day of the campaign.

The third period of the campaign
starts on Thursday and ends on May
19, and carries with it a liberal extra
credit offer, which is of much more
credit value than the offer following
it in effect the last week of the cam-
paign. This period will be known as
"Speed Up" days because it is the
time for all members to speed up
and prepare for the "home stretch"
of the race.

During "Speed Up" days subscrip-
tions will earn 50 per cent more than
the regular schedule. For example,
one year's subscription, which ordinarily
earns 10,000, will earn 15,000 credits.
One year by mail which counts 8,000
credits on the regular schedule will
now count 12,000. Other subscrip-
tions will earn proportionately. Full
schedule of credits allowed during
"Speed Up" days appears in the ad-
vertisement in today's paper.

"Speed Up" Days Means Much.
It will be the intent of every
member to make the best possible
showing during "Speed Up" days and
to turn in every subscription they
can secure rather than to hold them
for the last week. During the last
week of the campaign subscriptions
will only earn 50 per cent bonus
credits. That extra 10 per cent in
credits means a lot, maybe just

enough to put one "over the top" for
one of the biggest awards.

While the next period does not start
until Thursday, members need not
wait until then to start to work.
Every one should start out Monday
so that by Thursday they will have
big reports to make.

The next list of members will be
published in The Evening Dispatch
on Tuesday.

CARD PARTY FOR HOSPITAL FOR CRIPPLED CHILDREN

A subscription card party for the
benefit of Crippled Children's Hospi-
tal, will be given on Monday after-
noon, May 16, by Mrs. T. E. Tracie
and Mrs. Ed. C. Schefer at the home
of Mrs. T. E. Tracie, 1500 First Ave-
nue, Highland Park. Tables may be
reserved by telephoning Boulevard
2289-J.

JOHN MARSHALL FINALS TO BE HELD ON JUNE 9

All public schools of the city will
close for the summer vacation period
on June 8 and 9, according to an an-
nouncement made yesterday by J. H.
Hinford, assistant superintendent of
schools. Because of the large num-
ber of students attending the John
Marshall High School, it is probable
that the final day will be celebrated
June 9.
Examinations will start at John
Marshall May 31, and will continue

through June 7, while the "finals"
will not start in the junior high
schools until June 1. The schedule
for examinations in the elementary
schools will be practically the same
as that of the high school.

Rheumatism

A Remarkable Home Treatment
Given by One Who Had It

In the year of 1893 I was attacked
by Muscular and Sub-Acute Rheuma-
tism. I suffered as only those who are
thus afflicted know for over three years.
I tried remedy after remedy, but such
relief as I obtained was only tempo-
rary. Finally, I found a treatment
that cured me completely and such a
difficult condition has never returned.
I have given it to a number who were
terribly afflicted, even bedridden, some
of them seventy to eighty years old, and
the results were the same as in my
own case.
I want every sufferer from any form
of muscular and sub-acute swelling at
the joints, rheumatism, to try the
great value of my improved "Home
Treatment" for its remarkable healing
power. Don't send me any money.
I will send it free to you. After you
have used it, and it has proven itself
to be that long-looked-for remedy, you
getting rid of such forms of rheuma-
tism, you may send the price of it. One
dollar, but understand I do not want
your money unless you are perfectly
satisfied to send it. Don't that way
Why suffer any longer, when relief is
thus offered you free. Don't delay.
